## SCHOOL LUNCHES

Hi North Fremantle Primary School Parents!

Thanks for taking the time to read The Black Truffle School Lunches Info Pack. We're proud to be able to deliver school lunches to your kids on **Wednesdays** and **Fridays** of each School Term.

We've created a little online ordering form to make ordering a breeze! Just fill it out before 10am on any given School Lunch Day, and we'll delivery an array of hot or cold food with drinks and snack to the School for lunch time.

Our current menu for Term 4 2023 is on the next page. However, please note it may change slightly as we head into 2024. The form will always be live with the current food offering and it will be very similar to our current offering.

To visit the form please visit the below website:
