Our team

Educators at YMCA North Fremantle believe each child has their own unique essence that makes them special individuals that deserve to have a safe and nurturing environment to allow them to grow, learn, flourish and express themselves.

Children have the right to feel valued and it is important for them to feel a sense of belonging as this helps them in the development of who they will become. We understand that each child is different and we like to provide a welcoming space that is a supportive and safe environment for them to explore their own interests while having the opportunity to try new activities.

We understand that each child needs time to just "be", to play, to try new things, to explore their environment and to just have fun.

Operating times (Monday to Friday)

Before School Care 6:30am to School Starts

On a regular day in Before School Care, children are involved in quiet activities that help prepare them for the school day ahead.

After School Care End of School to 6pm

During the afternoon children are offered a nutritious afternoon tea, the opportunity to complete any homework and join in on a range of age appropriate activities until children are collected. Educators work closely with children to develop a program that is based on their interests and skill level.

Please ensure that your child is collected prior to 6pm, due to staffing requirements late fees will apply to families who collect their children after this time.
