From the Principal

Term 4 has started at a fast pace! A big thank you to our P&C and everyone who supported another successful Quiz Night. With swimming lessons now underway and plenty more to look forward to, including the P&C Disco, Graduation and the Magpie Concert, it promises to be a busy and exciting term. Please keep an eye on our communications to stay up to date with everything happening across the school.

NFPS School Board

The School Board plays a vital role in supporting the school to achieve the best possible outcomes for students. The Board enables parents and members of the community to contribute to activities that are in the best interests of students and enhance the education provided by the school.

Board members work collaboratively with the school to support its objectives, priorities and strategic directions, develop an understanding of the school's financial planning, and review and evaluate school performance.

Having committed and capable members is essential to the success of a School Board. A diverse and skilled Board contributes to effective school governance, promotes informed decision-making, brings fresh ideas and perspectives, and strengthens connections between the school and the wider community.

If you are interested in becoming a parent representative on the School Board for 2027 and would like further information, please contact the school office or visit our website. We encourage all interested parents to consider this valuable opportunity to contribute to the future direction and success of our school.

Centre for Excellence

The CfE team attended professional learning on writing instruction and the design of an evidence-based literacy block on Wednesday 21 October. On Thursday 22 October, the team visited our Centre school, Jolimont Primary School, where they participated in classroom observations and heard a presentation outlining the school's improvement journey.

The team's learning continued Saturday 24 October with professional learning focused on reading comprehension, followed by a range of concurrent sessions that provided practical strategies to further strengthen literacy instruction across the school.

School Grounds Update

Hard Courts

We are pleased to advise that the hard courts have received final approval, and before and after school programs have resumed.

PE News

Hi North Fremantle Community,

Term 4 is already here, and we have had another great few months in Phys Ed.

Term 3 saw students improve their athletics skills and was highlighted by two amazing carnivals, our school carnival followed by inter-school. The 2026 Inter-School Athletics Carnival was an amazing day to witness. North Fremantle had so much to be proud of. With so many of our students gaining ribbons, and not to mention our Champions! Congratulations to William H and Woodes D for gaining Runner Up Champion Boys, and to Luc R, Lizzy F, Remy V and Ben R for gaining Champion medals in their year groups. We are so

proud of your achievements against very talented competition! The biggest news of all came when they were announcing the scores for the day, with our students increasing with excitement as the began announcing from 6th place up. We are un-believably excited to announce that we came 1st place overall. This is a huge achievement for our school, and one they completely deserved. Our students represented us proudly, showed wonderful teamwork, and their behaviour was impeccable. All students who practiced these events throughout the term played their parts too, as the inter-school students would not have done so well without the whole school participation leading up to the event. Well done everyone!

As the weather is now getting warmer, please remember to bring water bottles and a school hat to school each day and as always, sensible shoes for taking part in lessons. We look forward to ending the year with some striking and fielding activities, fun games and some tennis on our lovely new courts.

Mrs Rosser

Room 7 Masks

Some students from Room 7 modelling the masks they made in Visual Arts last term.
